Teen Tank: A Shark Tank Program with Young Engineers
for Grades 6-12
Thursday, October 5 and Tuesday, October 10, 6 PM
Do you have an idea for a business or product? Our experts will show you how to pitch your idea in front of investors like they do in Shark Tank! Participants will work individually or in teams with other aspiring entrepreneurs to brainstorm a business idea and present it. Here’s your chance to learn key foundational skills in starting a business! Armed with business plans, Young Adults will make their pitches to a group of judges asking for “investments” in their budding business. This workshop requires 2 sessions. Session one will teach Young Adults about business and how to pitch their business. Session two will be a “Pitch Day” where YAs present their business to a group of judges. Register online beginning September 21
